

Тапсырма: Қазақстандағы елді мекендердің проблемаларын жіктеп, шешу жолдарын ұсыныңыздар

A fish-shaped diagram template for problem analysis. The fish is orange with a large eye and a yellow fin. The body is divided into three main sections: the head, the middle, and the tail. The head section is labeled 'Мәселе' (Problem) and contains a white box for writing. The middle section is divided into two parts: the top part is labeled 'Себебі' (Cause) and the bottom part is labeled 'Шешу жолдары' (Solutions). The tail section is labeled 'Салдары' (Consequences). Each section contains horizontal lines for writing.
